## New Barrack Construction in the REHAGEN Area (April 1958).

Military.

- 1. Attached at Appendix "A" is a lay-out sketch of Soviet occupied buildings in the REHAGEN area. On this sketch 12 new buildings which were constructed in April 1958 have been marked in. Details of these buildings are as follows:-
  - (a) Buildings marked N1, N2, N3 and N4.

Large stone built gun hangers each measuring 30 x 12 metres.

(b) Building marked N5.

Covered accommodation for lorries. The building has stone walls on three sides, open frontage, wooden roof and measures  $50 \times 12$  metres.

(c) Buildings marked N6, N7, N9 and N10.

Hangar type buildings of stone construction measuring  $30 \times 12$  metres (not yet fully completed).

(d) Building marked N8.

Wooden barrack hut measuring 25 x 12 metres (already being used as troops accommodation).

(e) Buildings marked Nll and Nl2.

Stone barrack blocks measuring 40 x 15 metres (already reing used as troops accommodation).
